

As a below named inventor, I hereby declare:

That, my residence, post office address and citizenship are as stated below next to my name;

That, I verily believe that I am the original, first and sole inventor (if only one name is listed below) or a joint inventor (if plural inventors are named below) of the invention entitled:

NONAPEPTIDE AND DECAPEPTIDE DERIVATIVES OF
LUTEINIZING HORMONE RELEASING HORMONE

described and claimed in the attached specification, that I understand the content of the attached specification, that I do not know and do not believe the same was ever known or used in the United States of America before my or our invention thereof, or patented or described in any printed publication in any country before my or our invention thereof or more than one year prior to this application, that the same was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application, that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application, and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives or assigns, except as follows:

NONE

I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith:

Alan M. Krubiner, Reg. No. 26,289
Tom M. Moran, Reg. No. 26,314

Address all telephone calls to Alan M. Krubiner, at telephone number (415)855-6133.

Address all correspondence to Alan M. Krubiner, Patent Department, Syntex Corporation, 3401 Hillview Avenue, Palo Alto, California 94304.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of

the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
